

Offsite online access to over 60 titles is now available to Fellows.

A selection of titles is listed below. The full list is available online or you can ask for one to be sent to you..

Complete the form overleaf to apply for a username and password

Annales de paleontologie
Applied geochemistry
Bulletin of engineering geology and the environment
Bulletin of volcanology
Central European geology
Chemical geology
Computers & geosciences
Continental shelf research
Contributions to mineralogy and petrology
Coral reefs
Cretaceous research
Earth and environmental science
transactions of the Royal Society of Edinburgh
Earth and planetary science letters
Earth-science reviews
Earth sciences history
Engineering geology
Environmental geochemistry and health
Environmental geology
Geo-marine letters
Geochimica et cosmochimica acta
Geotechnical and geological engineering
Geotechnique
Global and planetary change
Gondwana research
Hydrogeology journal
International journal of coal geology
International journal of earth sciences
International journal of rock mechanics and mining sciences

Israel journal of earth sciences
Journal of African earth sciences
Journal of Asian earth sciences
Journal of geochemical engineering
Journal of geodynamics
Journal of South American earth sciences
Journal of structural geology
Journal of systematic palaeontology
Journal of volcanology and geothermal research
Lithos
Marine geology
Marine geophysical researches
Marine micropaleontology
Marine and petroleum geology
Mathematical geosciences
Mineralium deposita
Mineralogy and petrology
Ore geology reviews
Organic geochemistry
Palaeogeography, palaeoclimatology, palaeoecology
Precambrian research
Proceedings of the Institution of Civil Engineers:
geotechnical engineering
Quaternary international
Quaternary research
Quaternary science reviews
Revue de micropaleontologie
Rock mechanics and rock engineering
Sedimentary geology
Surveys in geophysics
Swiss journal of geosciences
Tectonophysics

The Geological Society is a registered charity No 210161

The
Geological
Society

Serving science and profession

The Library's free 'Offsite e-journal access' service

June 2010

Access to online resources is covered by copyright law and the Terms and Conditions of the publisher and online access provider. Systematic downloading of articles is not permitted.

Granting online access to an individual does not entitle others in the same organisation to use a resource. Usernames and passwords are for **individual use only** and must not be given to another person.

Breaching these regulations could result in the loss of access for the entire Society, and anyone knowingly doing so will have their User Account withdrawn.

I have read the above and agree to abide by the regulations applicable to the resources used.
