

**Geological Society Engineering Group
Annual Field Meeting
'Engineering Geology of the French Alps, Grenoble Area'**

Friday 5th June – Monday 8th June 2009

The annual Engineering Group Field Meeting will convene on the evening of Friday 5th June 2009 and will be of interest to engineering geologists, geotechnical engineers, engineering geomorphologists, civil engineers, coastal engineers and geologists of all levels of experience. The meeting will consider various aspects of the engineering geology of the French Alps around the city of Grenoble and will visit a variety of sites of engineering and geological interest.

Provisional Programme

The meeting will convene on the Friday evening with a dinner at the Hotel les Mesanges, Uriage les Bains and will include 2 full days of field work with delegates returning to the UK on the following Monday. The evening will provide an opportunity to meet fellow delegates.

- Travel will be by MPV each day to selected localities around the Grenoble area.

The delegate fee will be £80.00 for waged delegates and £40.00 for un-waged delegates and full-time students. The fee will cover the running costs and lunches on both days. **Please contact the convenor as soon as possible to book a place on the field weekend as hotel places are limited.** Cheques should be made payable to the Engineering Group, Geological Society and should be for the registration fee and conference meal only, (**please note that cheques which include accommodation will be returned**). Your accommodation bill should be settled directly with the hotel on departure.

Meeting accommodation will be in with twin, single and double rooms at the Hotel Les Mesanges on a Dinner, Bed and Breakfast basis. Other hotels are available in Uriage les Bains if required.

Travel details to Grenoble along with a booking form will be posted on the meeting website shortly along with a booking form. Grenoble is well served from UK airports and there is a direct TGV high speed train link to the city. It will also be possible for an additional cost to travel from the UK via minibus. Further details available on request.

Convenor: Mr David Giles, School of Earth & Environmental Sciences, Burnaby Building, University of Portsmouth, Burnaby Road, Portsmouth, PO1 3QL. Tel. 023 92842248, Fax. 023 92842244, E-mail. dave.giles@port.ac.uk

Engineering Group Field Meeting: French Alps
Registration Form
Friday 5th June – Monday 7th June 2009

Name: _____

Affiliation: _____
