

# Geochemistry Group Student Travel Bursaries 2010

The Geochemistry group offers bursaries to postgraduate researchers registered at UK universities or research institutions to aid travel to a geochemistry meeting either in the UK or internationally. In previous years, students have received bursaries to support travel to conferences such as EGU and Goldschmidt, as well as a number of smaller meetings. Students must meet the following criteria to be considered eligible:

- The student must present either a talk or a poster. Oral papers will be given precedence.
- The student's research must fall within the remit of the Geochemistry Group
- Preference will be given to members of the **Mineralogical Society** (<http://www.minersoc.org/pages/msinfo/membership.html>) or **Geological Society** (<http://www.geolsoc.org.uk/gsl/society/join>)

There are three rounds of applications during the year, and the deadlines are:

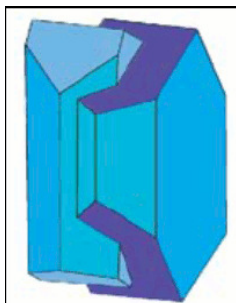

26<sup>th</sup> February 2010

15<sup>th</sup> May 2010

5<sup>th</sup> November 2010
