

ProGeo 2010 Friday 1st October Programme Information & Application Form

Geotechnical Issues in the South West with reference to Eurocode 7

- **Jim Griffiths – University of Plymouth** - The Engineering Geological Setting of South-west England
- **Gary Walker – Scott Wilson** - Geotechnical Design & Ground Investigation after Eurocode 7
- **Andy Matthews – Devon County Council** – Case study incorporating EC3, 6 & 7
- **To be confirmed** - see website for details when available
- **Mark Walker – Network Rail** – Mining Legacy in the South West in relation to the rail industry
- **To be confirmed** - see website for details when available

DELEGATE FEES AND CONFERENCE CATERING

The cost of the conference has been calculated to just cover catering, room-hire costs and production of the Delegate Pack. To promote early registration, we have again decided to offer an **Early Registration Discount** for **Members of the Geological Society** who make their application and payment at least 2 weeks before the date of the conference (i.e. before 17th September). The **Discounted Delegate rate** is **£25.00**.

Applications and fees received after this date should pay the **Standard Delegate rate** of **£30.00**, which is also the fee payable for applications received at any time by those who are not Members of the Geological Society, with the exception of those that are corporate sponsors of the event, or full time students.

Full time students, either at undergraduate or post-graduate level, may pay the **Student Rate** of **£25**, irrespective of whether or not they are Members of the Geological Society.

The Delegate Fee includes:

- the cost of a Delegate Pack,
- tea/coffee on arrival, mid-morning and mid-afternoon
- buffet lunch

Please indicate any special dietary requirements (e.g. vegetarian) on your application form.

EXHIBITORS AND SPONSORS

This year, there will again be an opportunity for local businesses, membership and invited specialists to contribute to a **Sponsors' Exhibition** and/or **Delegate Information Sponsorship**:

Sponsors' Exhibition: The cost for a standard exhibition space (approximately 2.5m x 1.5 m) and attendance at the conference of a single delegate (including lunch and refreshments) is **£100**

Delegate Information Sponsorship: For those companies that would like to be associated with the conference, but prefer not to host an exhibition space, there is the opportunity for sponsors to provide promotional material for inclusion in the Delegate Pack (up to 3 items, size up to and including A4 size) for a cost of **£25**. These items could also be displayed at the conference, if wished. Please note that the Conference Secretary must receive the items for inclusion by **17th September**, including any specific instructions for display, if appropriate. Sufficient quantities of promotional materials must be supplied: we are unable to undertake photocopying of items, or to return surplus material.

Space at the conference and in the delegate packs is limited, so organisations and individuals interested in taking part are advised to **book early**. **Enquiries** may be sent to: swrg@geolsoc.org.uk.

Reservations must be made by sending a completed Booking Form and cheque for the appropriate amount to the address indicated on the form. Bookings will be made on a first-come-first served basis

We will be applying for, CPD (Continuing Professional Development) recognition for this event from Burlington House.

The Geological Society - South West Regional Group
