

Southern Wales Regional Group

We aim to serve the geoscience community in South Wales through a programme of lectures, seminars, field trips and social events. Our members are a mixture of those working in industry, for regulators and in academia, and we aim to provide a wider range of lecture topics and events to reflect this variety. We also look to engage with our next generation through our School Geology Challenge, Careers Evening and Early Career Geologist Award.

If you have any feedback, ideas for future events or want to get involved please contact us on swales.rg@geolsoc.org.uk

List of events 2011/2012

Entry is free to all (unless otherwise stated)

Date	Event	Time	Venue
Wed 12 October 2011	Early career geologist award final	5:30pm	Lecture Theatre 1.25 Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Wed 19 October	Groundwater cooling at the Tate modern - David Birks (Parsons Brinckerhoff)	5:30pm	Viriamu Jones Gallery Main Building, Cardiff Uni CF10 3AT
Thurs 3 November	Environmental, geoscience & engineering careers evening	5:30pm	Lecture Theatre 1.25 Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Wed 7 December	Behaviour of coal tar and creosote in Alluvium - David Emanuel (Terra Firma)	5:30pm	Wallace Lecture Theatre Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Wed 18 January 2012	Geological and geotechnical mapping using LiDAR - Adrian Wilkinson (Quarry Design)	5:30pm	Wallace Lecture Theatre Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Fri 27 January	Minewaters 2012 conference (£)	9:00am	Wallace Lecture Theatre Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Sat 18 February	Wine, whisky and beer: the role of geology - Prof Alex Maltman (Aberystwyth Uni)	11:00am	Coleg Sir Gar, Llanelli, SA15 4DN
Tue 20 March	School geology challenge 2012	5:30pm	Halfway Pub, Cathedral Road, Cardiff
Tue 3 April	Social event: Skittles competition	5:30pm	Lecture Theatre 1.25 Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Wed 18 April	A grounding in forensics - The life and times of a expert - Robin Sanders (Capita)	5:30pm	Lecture Theatre 1.25 Earth Sciences Department Main Building, Cardiff University, CF10 3AT
Wed 16 May	Development of coal bed methane resources - Andrew Gunning (Centrica)	5:30pm	Lecture Theatre 1.25 Earth Sciences Department Main Building, Cardiff University, CF10 3AT
