

# BGS OPEN DAY

**British  
Geological Survey**

NATURAL ENVIRONMENT RESEARCH COUNCIL

## **Visit our Open Day at the British Geological Survey Keyworth, Nottingham. Saturday 8 June 2013, 10am–4pm**

There will be a packed programme of tours, talks and demonstrations, including a very special guest appearance from TV's Professor Iain Stewart.

Experience a unique glimpse of the past, present and future as our scientists talk about real 'Jurassic Parks', tsunamis, space weather, energy and many other areas of exciting science.

Explore our newly renovated site and take part in our family friendly hands-on demonstrations in the five themed zones. Tours of the BGS laboratories, core store and geological walkway will take place regularly throughout the day.

Book your visit online at [www.bgs.ac.uk/openday](http://www.bgs.ac.uk/openday) where you can also see the latest details. Follow us on Twitter and Facebook for 'behind-the-scenes' sneak previews.
