Regional Heats for the Geological Society Schools Challenge to Follow Lectures

Entrants for Schools challenge have to register their posters by Friday 27th March (12 noon) Register at: geologyrevision2015@gmail.com

This event has been organised by ESTA and the North West Regional Group of the Geological Society of London in conjunction with Manchester University

This lecture series has been organised as a revision session for AS and A Levels Geology students to enhance the information already learnt in the classroom. This is has been co-ordinate with ESTA (Earth Science Teachers Association) as well as the regional university institutions.
