Poster & Presentation Competition and Social Event 2016

Tuesday 6th December 2016, 5.30pm, IET Teacher Building, Glasgow

Overview

The Scottish Geotechnical Group of the ICE and The Central Scotland Regional Group of the Geological Society are jointly hosting a poster competition in Geotechnical Engineering and Engineering Geology. The event will take place on Tuesday 6th December 2016 at 5.30 PM at the IET Teacher Building, St Enoch Square, Glasgow to coincide with a social evening for members and guests of both groups and anyone with an interest in the field. Entries have been received from a mix of geotechnical engineers, geologists and related construction professionals, including research students. The topics to be presented range from slope stabilisation to 3D geotechnical modelling and include projects of regional interest. All entrants are under 30 years of age. A prize will be awarded to the winner plus annual possession of an engraved trophy commemorating the event. In addition all competitors will receive a prize.

Event Programme

- 17:30-18:30 General viewing of posters with sandwiches, refreshments and wine served (Entrants explanation of posters to judges during this period)
- 18:30-19:30 Individual presentation of shortlisted posters
- 19:30-19:45 Technical Presentation: Engineering Geology and Geomorphology of Glaciated and Periglaciated Terrains
Prof. Mike Winter
- 19:45-20:00 Announcement of winner and prize giving
