Meet at 11.45 a.m. to register on the British Geological Survey's visitor system. All visitors will pass through security who will direct them to the reception.

Lunch in the onsite canteen (optional) from 12 p.m.; if you would like to take lunch in the canteen, please let us know so that John can inform British Geological Survey in advance for the number of people in our touring group have canteen lunch.

Staff-guided tour starts at 1 p.m. and lasts about two and half hours follow by self-guided tour of the Geological Walk of Britain through time.

This booked British Geological Survey site tour typically includes:

- Introduction to the British Geological Survey;
- Library;
- Core Store; and
- 3D Room Demo Geovisionary.

If you would like to see any specific on-shore cores of the British Isles, please let us know so that John will try to arrange your chosen cores for viewing on the day.

There is a maximum of 20 participants for this guided-tour with priority given to Fellows, Candidate Fellows and Juniors of the Geological Society who are members of the Home Counties North Regional Group.

Please book your places on a first-come-first-served basis by e-mail to
