

Date: 15th September 2015

Location: Capita House, East Grinstead, 18.00 for 18.30 start

Chartership evening “CGeol Application – The Way Forward”

The South East Regional Group will be holding an evening meeting for members thinking about or working towards CGeol or CSci award. The evening is for members to gain information on the process and to get answers to their questions with sessions of both presentations and question & answers.

We will have presentations from:

- Bill Gaskarth (Geol Soc Chartership Officer) who will outline the requirements and processes for CGeol and CSci system.
- A scrutineer who will let us know their role in the process and what they are looking for in your submissions.
- There will also be some recently chartered members present to share their experience

The event is kindly sponsored by

CAPITA

**LOCATION: 1st Floor, Capita House, Wood Street, East Grinstead
RH19 1UU**

Please let us know if you plan to attend so that we have an idea for numbers for catering.
