

Pro Geo 2015: Friday 16th October 2015
“Emerging Technologies in the Geosciences”

Venue: The Kenn Centre, Exeter Road, Devon. EX6 7UE

List of Speakers and Topics

Paul Nathaniel LQM, University of Nottingham	The role of telemetry and agile data in site characterisation and remediation of contaminated brownfields
Luke Bateson BGS Keyworth	Environmental mapping, monitoring and visualisation; the digital workflow within the BGS
Roger Chandler Keynetix	The Benefits of BIM and AGS Data
Joseph Hobbs Lankelma	Developments in ground characterisation practice using the CPT
Matthew Sadler Coffey Geotechnics	The impact and stabilisation of unrecorded mine workings beneath the proposed TSF at Drakelands Mine
Paul Goff Hyder Consulting	The Blue Lias and The NAPL – a practical response to halt the spread

▪ **The Exhibitors/Sponsors**

This year we have again decided to hold a **Sponsors Exhibition** which is open to our Local Business and membership as well as invited specialists. **Exhibition space is limited** so to avoid disappointment **please book early**. Enquiries and reservations should be sent to southwestrg@gmail.com

Bookings will be made strictly on a first come first served basis.

For a standard exhibition space (approx dimensions 2.5m X 1.5m) the price is **£100**

This fee **includes the cost of one delegate attending the conference** (with lunch, refreshments and the delegate pack)

For those companies that would like to be associated with this conference but do not wish to hire exhibition space, we are also providing the opportunity for sponsors to provide promotional material for inclusion within the Delegate pack and /or display during the Conference. For this option the price is £25.00 for up to 3 items (A4 size). Please note that the Conference Secretary must receive promotional material by 4th October 2014. Sufficient copies of promotional material for use in the packs must be supplied as we are unable to undertake copying of material for delegate packs. Also, please note that we cannot return any unused display materials.

Delegate Fees

This year we have again decided to give an **early payment discount** for delegates who are Members of the Geological Society and who make their application and **payment** at least **2 weeks** before the Conference day- i.e. **by 1th October 2015**. The discounted delegate fee is £25.00

Members of the Geological Society who make their application and payment after this date should pay the standard delegate fee of £35.00

The standard delegate fee (for persons that are not Members of the Geological Society or Corporate Sponsor Exhibitor Delegates) is £35.00 which has been pitched to cover the basic costs of lunch, venue, refreshments and the Delegate pack.

All delegates will receive a delegate pack on registration and refreshments (tea/coffee on arrival, mid-morning and mid-afternoon) and lunch. Please notify any special dietary requirements on the Application Form.

Pro Geo 2015 Emerging Technologies in the Geosciences
