Joint Engineering Group & Quaternary Research Association Field Meeting

Quaternary Periglaciation of Kent

**Weekend field meeting organised by the Engineering Group of the
Geological Society (EGGS) & the Quaternary Research Association
(QRA)**

Synopsis

This is a two day field meeting addressing the "Quaternary Periglaciation of Kent" and designed to encourage greater synergy between the engineering geology and Quaternary science communities. The meeting will be of interest to Quaternary scientists, engineering geologists, geotechnical engineers, engineering geomorphologists, civil engineers, coastal engineers and geologists of all levels of experience. Travel will be by coach each day to selected localities around Kent.

Provisional Itinerary

Friday 10th June: Evening introductory lecture, Walpole Bay Hotel, Cliftonville

Saturday 11th June: Field visits to the A21 Sevenoaks By-pass to view relict shears, landslide reactivation and road relocation and to High Rocks, Royal Tunbridge Wells to view gulls, sandstone cliffs, valley-side instability and rock weathering

Sunday 12th June: Field visits to Pegwell Bay and Grenham Bay, Thanet to view loess/metastable soils, fractured bedrock, patterned ground, wedges, dry valleys and slope deposits.

Main Accommodation: Walpole Bay Hotel, Cliftonville. Secondary coach pickup if required at the Premier Inn, Margate.

Leader:

Prof. Julian Murton, University of Sussex

Date:

Friday 10th – Sunday 12th June 2016

Meeting Commences:

19:30

Location:

Walpole Bay Hotel, Cliftonville, Kent

Registration required.

The delegate fee will be **£65.00** for waged delegates and **£35.00** for un-waged delegates and full-time students. The fee will cover the running costs and lunches on both days. It is proposed that on Saturday night delegates convene for a Meeting Dinner. Please would you advise on booking if you wish to attend the meal? Both vegetarian and non-vegetarian food will be available. Please return the form as soon as possible to book a place on the field weekend. Cheques should be made payable to the Engineering Group, Geological Society and should be for the registration fee, accommodation and conference meal.
