 Conference@geolsoc.org.uk

 +44 (0)20 7434 9944

 The Geological Society,
Burlington House, Piccadilly,
London, W1J 0BG

MRE26 will bring together geoscientists and other professionals to discuss the status and future of resource evaluation.

Topics will showcase leading practice and advancements in sampling/QAQC; geological modelling; geostatistical estimation and simulation; inputs into reasonable prospects for economic extraction; project risk analysis; grade control and reconciliation; and resource reporting.

It will promote the exchange of information through a series of Keynote presentations and networking during the day.

How to get involved

Registration is now open to attend the one-day conference on Mineral Resource Evaluation.

For more information about the meeting, including registration, please visit the meeting webpage: www.geolsoc.org.uk/MRE26
