

The Geological Society Venue Hire Guide

A prestigious versatile space
in the heart of Mayfair, London, UK

The
Geological
Society

Welcome to the Geological Society

Founded in 1807, the Geological Society is the oldest national geological society in the world.

The Society has resided in Burlington House in central London since 1874.

This beautiful, Grade II* listed venue provides a unique and welcoming environment for conferences, meeting and events, receptions and intimate dinners. Bespoke tours of our world famous collection can be arranged.

The Lecture Theatre

Located on the ground floor, the 172-seat Lecture Theatre provides an inviting setting for conferences and a full range of audio-visual facilities under the direction of an expert AV team. Hired in conjunction with the Lower Library.

The Lower Library

Spacious and airy break-out room for the Lecture Theatre, the Lower Library is ideal for refreshment breaks and networking. It can also be hired for private dinners, drink receptions, film and photo shoots.

The Upper Library

A stunning, multi-level Victorian library that is an ideal location for private dinners, film and photographic shoots. This space can accommodate up to 80 people reception style or 42 people for a seated lunch or dinner.

The Council Room

Located on the first floor, this elegant room has plenty of natural daylight and is fully air-conditioned. It can accommodate up to 22 people boardroom style, 32 theatre style, 60 reception style or 30 people for a seated lunch or dinner. Large screen and conference phone included.

Arthur Holmes Room

Located on the ground floor, this room is an ideal space for small meetings or dinners of up to 14 people boardroom style. Large screen and conference phone included.

William Buckland Room

Located on the lower-ground floor, this room offers an intimate space surrounded by glass cases of leather-bound books and can accommodate up to 14 people seated boardroom style. Screen and conference phone included.

Gertrude Elles Room

Located on the first floor, adjacent to the Upper Library, this room is ideal for small meetings of up to 18 people seated in boardroom style - or 15 with screen setup, 60 reception style or 20 people for a seated lunch or dinner, with a pleasant view of Burlington House courtyard.

Lyell Room

The Lyell Room was opened in 2007 to celebrate the Geological Society's bicentenary and is named after the renowned geologist Sir Charles Lyell (1797–1875). This elegant space, with sweeping views of Piccadilly, provides the perfect setting for intimate dinners of up to 6.

Food & Catering

Our catering service provides exceptional food and exemplary service. With a fresh, unique twist on traditional catering, we offer a diverse range of options to suit any event, delivering creative and affordable fare for all occasions. Serving London and the surrounding areas, we ensure that our quality reflects the prestige of our venue. Our contemporary catering encompasses various cuisine styles, including beverages, bowl foods, breakfast, lunch, and dinner options, as well as hot and cold buffets and an array of canapés. All ingredients are sourced from carefully selected artisan suppliers.

City Dining
www.city-dining.co.uk

City Dining has been proudly serving a wide range of clients for over 11 years, providing exceptional catering solutions tailored to meet diverse needs. From corporate events to private gatherings, City Dining is dedicated to delivering high-quality cuisine and outstanding service, ensuring every dining experience is memorable.

Togather
www.togather.com

Togather offers unique and creative catering options, perfect for supporting your shoot lunches. If you're looking for something a bit quirky, like bao buns or other innovative bites, Togather has got you covered with fresh and exciting menu ideas to keep your delegates energised and satisfied throughout the day.

AV Services

JacobsMassey provides managed virtual, hybrid and live event solutions for companies that wish to host professional digital events online and in-person. With virtual and hybrid events firmly part of the new landscape for companies and institutions, they enable their clients to deliver any event with ease. Working with an experienced network of live event professionals, JacobsMassey Production provides pre-event planning and technical delivery services for all combinations of live events, enabling organisations to reach their audiences swiftly and professionally.

Testimonials

Thanks a lot for all of your help at the event last week. We thought it went really well and have received some great feedback from our attendees.

Economics Research Council

Thanks so much for all your help! The shoot went so well, and everyone kept commenting on how beautiful the library looked on camera!

Brokeandbones

Thank you for all the effort that went into making our event so smooth and enjoyable. Your support, patience and knowledge was invaluable.

Oxford University
