

Hybrid Conference

27 – 28 October 2026

Water as a Critical Geological Resource

SPONSORSHIP

**The
Geological
Society**

MAKE A SEISMIC IMPACT WITH YOUR BRAND

Established in 1807, the Geological Society holds the distinction of being the world's oldest national geological society. Our mission is to champion geoscience, foster curiosity about the natural world and support science, profession and society.

The Society's events are renowned for their excellence and impact in the field of geoscience. We take pride in curating experiences that not only offer valuable insights and knowledge-sharing but also foster innovation and collaboration.

Our conferences, events and specialised training programs are led by geoscience experts and leaders, ensuring that attendees gain access to the latest research, technologies, and emerging trends. We create an environment where meaningful connections are forged, ideas are exchanged, and solutions to critical challenges are explored.

Join us a sponsor for our scientific conferences

Showcase your commitment to advancing cutting-edge science, align with sustainable energy transition goals and bolster your Environmental, Social and Governance (ESG) commitments. The following pages outline various conference and event sponsorship options available. A list of upcoming events can be accessed here: www.geolsoc.org.uk/Events/Society-Events

We understand that each organisation has unique objectives, and we welcome the opportunity to tailor bespoke packages to meet your specific needs. For more information, please get in touch: sponsorship@geolsoc.org.uk

WATER AS A GEOLOGICAL RESOURCE

This 2-day, interdisciplinary meeting brings together geoscientists working across research, industry and governance to understand the critical role of water in Earth and built systems focusing on the following themes:

- Water as a commodity, resource, or tool – from diverse sources and reservoirs to evolving uses in the Energy Transition and other diverse industries, in addition to the social impacts of this.
- Regulation, risk, and protection – impacts on communities and environments (natural, industrial and the built environment), and interdisciplinary engagement.
 - Tools and data-driven approaches – developing AI digital tools and best practice.
- Education and skills pipeline – understanding engagement towards development of future skills.

For more information, please visit the [conference webpage](#)

Please keep reading for details of sponsorship options and audience reach

AUDIENCE REACH

The Geological Society has a significant audience reach online, with more than **1 million** website users annually, with more than **4.5 million** views.

In addition, we have a strong social media presence across various platforms:

- **59,000** on LinkedIn
- **20,000** on Facebook
- **6,300** on Instagram
- **2,000** on BlueSky (and growing)

All sponsors benefit from:

Targeted Engagement: Geoscience professionals are our core audience. Promote your brand to engaged individuals passionate about your field.

Brand Recognition: Partnering with the Society offers a unique opportunity to enhance your reputation and positioning. All sponsors are prominently featured across our marketing platforms.

Impactful Stories: Geoscience is about storytelling - the tales of our planet's past, present and future. Leverage our platforms to tell your story to a relevant audience in a meaningful, compelling way.

OTHER COLLABORATION & PARTNERSHIP OPPORTUNITIES

Webinars

We have limited opportunities available to co-develop and present webinars on a range of cutting-edge and diverse geoscience topics.

Corporate Patrons

Company membership entitles you to a range of benefits including venue hire, discounted delegate rates, access to Burlington House for all staff and more. All while supporting our education and outreach activities.

Geoscientist Magazine

Place your organisation in front of our 12,000+ Fellows by advertising in our popular quarterly magazine. There are a range of options available.

Education & Outreach

Help to inspire the next generation of geoscientists. We welcome partners to support our diverse education and outreach activities.

Events & Training Courses

Join us to develop a new conference or training courses in partnership with your organisation for a diverse and international audience.

There are several other ways in which you can become partners with the Geological Society, including advertising, co-branding, and co-developing new events.
