Society

Chartership Event

The Geological Society of London is hosting an interactive workshop for members of the Central Scotland RG and the Early Career Network who are interested in understanding more about becoming Chartered Geologists (CGeol) or Chartered Scientists (CSci).

This in-person event will include a short presentation by the Geological Society Chartership Officer, Eleanor Williams, followed by an opportunity to ask questions and hear advice from Chartership Assessors as well as recently Chartered Fellows.

We also welcome Chartered Fellows who may be looking to be a mentor or supporter for other candidates or who are interested in finding out about becoming a Chartership Assessor.

REGISTRATION IS MANDATORY FOR ALL IN-PERSON ATTENDEES

Please register in advance [here](#)

Date/Time:

Wednesday 16 September 16:30-17:30

Attend here:

Arup, 7th Floor, 1 West Regent Street,

Glasgow, G2 1RW

By completing this online [questionnaire](#), it will help us understand what you would like to learn at this event.
