

Your Journey to Chartership – Evening Workshop for Early Career Professionals

Venue: Mott MacDonald, Renaissance House, 9-16 Dingwall Road, Croydon, CR0 2NA

Date: Monday 27th October

Time: Talks 6pm - 7pm, Q&A and Refreshments 7pm onwards

Free event: Open to all ECPs interested in chartership! Please **let us know if you plan to attend:** southeastrg@googlemail.com as we need to register guests to the building. Thank you!

Talks & Insights:

- 1. Daniel Hope (Engineering Geologist, Mott MacDonald, MGeol Applied and Environmental Geology):** Recently submitted his chartership application and will share his experience. As Chair of the Geological Society's Early Career Network, he will also discuss how their committee supports ECPs.
- 2. Claire Howarth (Technical Principal – Groundwater, Mott MacDonald, MSc Hydrogeology, CGeol):** Achieved chartership after 20+ years in the industry. She will outline the pros & cons from her personal experience, explaining why it took some time but didn't hold her career back.
- 3. Samuel Oakley (Chartered Geologist, AtkinsRéalis, BSc Geophysical Sciences, CGeol):** Recently gained chartership via a non-master's route. He will be talking about his career background and recent application process experience.
- 4. Chartered Geologist Assessor (TBC):** Insights into the chartership process from the assessor's perspective, including what is expected from applicants.
- 5. Q&A and Networking:** Open Q&A session with light refreshments provided, followed by an optional pint and networking at the pub!
