

## APPLICATION FOR JUNIOR CANDIDATE FELLOWSHIP

### Guidance Notes

Thank you for your interest in joining the Geological Society.

Junior Candidate Fellowship is suitable for those who are 16 or over in secondary education and able to provide satisfactory evidence of their intent to take a degree in geology or a related subject. It also covers the period of a "gap year".

#### BENEFITS OF JUNIOR CANDIDATE FELLOWSHIP

Junior Candidate Fellows receive the following benefits:

- our monthly magazine the *Geoscientist*
- online access to one free Society journal, with the option to subscribe to others at a discount
- access to the Lyell Collection – a huge online resource of Geological Society publications
- use of our library - one of the world's largest collections of geological books and journals
- membership of Regional Group and access to their meetings
- reduced publications and meeting registration fees

#### JUNIOR CANDIDATE FELLOWSHIP APPLICATIONS

To apply for Junior Candidate Fellowship you must be age 16 or over and

- undergoing secondary education and able to provide satisfactory evidence of their intent to take a degree in geology or a related subject (see above)

You can remain a Junior Candidate Fellow until the age of 19, however you must apply for full Candidate Fellowship upon registering for an undergraduate honours degree in geology or a related subject (natural science, mathematics or engineering).

To apply please complete the Application form.

Return the completed and signed application form and your first year's subscription to the Administrative Fellowship Secretary at the address below. There is no admission fee for Junior Candidate Fellows. We will write to acknowledge receipt of your application. Elections take place five times a year.
