CV Workshops: informal group discussions around what employers look for and how to address that on your CV. Using geoscience job vacancies as a talking point, this is your chance to share concerns, ask questions & look at your own CV in the context of employer criteria; useful whether you are considering applying for jobs or postgrad study. Facilitated by Sarah Innes, Careers Service, University of Edinburgh. These will be offered at the following times:

10.45-11.15

11.45 – 12.15

14.00 – 14.30

Each session has limited spaces and will be filled on a first come, first served basis. Please book when registering for the Careers Day.

*Sarah will also be presenting a lunchtime lecture (1-1.30pm) entitled “Marketing Yourself: Top tips for CVs and applications”
