Subject(s) taught (e.g. Geography, Science, Geology etc.):

Key stage taught (e.g. KS3, KS4):

Would you like to sign up to be one of our education resource reviewers? *Please note that in this case we will keep your email address in order to contact you about resource reviewing but will not share your details with any other organisation.*

Yes I would like to be an education resource reviewer

No thank you

Any additional comments/ suggestions you would like to make about the Schools Affiliate Scheme:

Please complete and return to:

Schools Affiliate Scheme (Education)
The Geological Society
Burlington House
Piccadilly
London W1J 0BG
Email: education@geolsoc.org.uk

The Geological Society will use this personal data for the sole purpose of contacting you with information about geology related activities, products and services and for the administration of your association with the Society. In other words, only information you would expect to receive from us.

The Society never sells your data and we are proactive in ensuring the security of your data. Please refer to our [Privacy Notice](#) for more information as to how we process personal data.

Alternatively complete the online application form:
