

Puddingstone and related silcretes of the Anglo-Paris Basin

Fieldtrip programme

Saturday 17 May 2014

Start/end Ware, visiting Bishop's Stortford, Arkesden, Brent Pelham, Standon, and Colliers End outlier sites in a circular tour.

All welcome to attend, but you will require your own transport if not continuing to France.

The fieldtrip around Ware is free to attend.

Those continuing onto France will drive to Dieppe via Eurotunnel.

Sunday 18 May 2014

- Vasterival (near Dieppe; in situ sarsens in cliff section)
- Bourghéroulde-Infreville (roadside monument with excellent La Londe puddingstones)
- Broglie (in situ Neogene silcretes)
- Return to Dieppe via Yvetot, Gretteville-les-Grès and Sotteville-sur-Mer; Pays de Caux (Sandstone [sarsen] in buildings)

Monday 19 May 2014

- Saint-Saëns 40 km SSE of Dieppe; early Eocene puddingstone and sand deposits in buried channel; in situ material, fossiliferous poudingue, and evidence of Gallo-Roman use for quern making. There are a number of sites in and around the town.
- Return Dieppe-to-Newhaven and via Ware to pick up cars

Field trip registration fee:

£185 per person (travel only & dependent on a of minimum of 12 participants)

Cancellation

Should the fieldtrip be cancelled due to lack of numbers, anyone who has paid a registration fee will be given a full refund.

Anyone wishing to cancel their fieldtrip booking must do so in writing before **Monday 7 April 2014**, in order to receive a full refund. Cancellations after this date will not be refunded, but you can make a substitution.
