

Scottish Ground Engineering Group & Central Scotland Regional Group of the Geological Society

Poster & Presentation Competition Event 2020

Overview

The Scottish Ground Engineering Group (SGEG) of the ICE and the Central Scotland Regional Group (CSRG) of the Geological Society of London are jointly hosting a poster competition in Geotechnical Engineering and Engineering Geology.

The event will be undertaken virtually (via WebEx) for members and guests of both groups and anyone interested in the field. Topics to be presented range from UAV surveying, landslide assessment and geological modelling to the investigation of topsoil and hydrophobic soils. A prize will be awarded to the winner as well as an engraved trophy commemorating the event.

Whilst the judges deliberate over their chosen winner, there will be short presentation on upcoming events hosted by both SGEG and the CSRG.

All entries will be available to view from 1st December until 8th December 2020 at the following link;
