

Staff-guided tour and self-guided tour to British Geological Survey

Environmental Science Centre, Keyworth, NG12 5GG

Thursday 9th November 2017 - 12 p.m. to 4.30 p.m.

Led by John Wong FGS

Please arrive by 11.45 a.m. to give enough time to register on the British Geological Survey's visitor system and to go through security.

Lunch in the onsite canteen (optional) from 12 p.m. If you would like to take lunch in the canteen, please let us know when booking so that John can inform British Geological Survey in advance of the numbers.

The staff-guided tour starts at 1 p.m. and lasts about two and half hours followed by the self-guided tour of the Geological Walk of Britain through time.

The booked British Geological Survey site tour typically includes:

- Introduction to the British Geological Survey;
- Geindex demonstration/workshop;
- [Library](#);
- [Core Store](#); and
- 3D Room Demo [Geovisionary](#).

If you would like to see any specific on-shore cores from the British Isles, please let us know when you book, so that John can try and arrange for your chosen cores to be available to view on the day.

There is a maximum of 20 participants for this guided-tour with priority given to Fellows, Candidate Fellows and Juniors of the Geological Society who are members of the Home Counties North Regional Group.

Please book your places on a first-come-first-served basis by e-mail to homecountiesnorthregionalgroup@gmail.com

For more information on the Home Counties North Regional Group visit the website <http://www.geolsoc.org.uk/hcnrg>
