Investigation

Geological Society of London

The afternoon aims to give you talks from a varied range of professionals working in the geosciences and related industries. Speakers will discuss their field of experience and career paths to date.

This will provide you with a useful insight into a variety of careers and a better understanding of the skills that are required.

The afternoon will also provide you with the opportunity to network. There will be a CV surgery and information on interview techniques.

There will also be a talk by The Geological Society on Chartership and the benefits of being a member of this society.

Stalls and representatives from a variety of companies will be available for you to speak with in the Schuster Foyer

Venue:
*Schuster Building,
Brunswick St.,
University of
Manchester
M13 9PL*

Time 13:00 to 16:30

ORGANISED BY THE NORTH WEST REGIONAL GROUP OF THE GEOLOGICAL SOCIETY OF LONDON
