Geological Society
Contaminated Land Group

The afternoon aims to give you talks from a varied range of professionals working in the geosciences and related industries. Speakers will discuss their field of experience and career paths to date.

This will provide you with a useful insight into a variety of careers and a better understanding of the skills that are required.

The afternoon will also provide you with the opportunity to take part in a speed networking session with the speakers and other geological professionals.

There will also be a talk by The Geological Society on Chartership and the benefits of being a member of this society.

Stalls and representatives from a variety of companies will be available for you to speak with in the Schuster Foyer

Venue:
*Schuster Building,
Brunswick St.,
University of
Manchester
M13 9PL
Time 13:00 to 17:00*
