For a standard exhibition space (approx. dimensions 2.5m X 1.5m) the price is **£100**

This fee **includes the cost of one delegate attending the conference** (with lunch, refreshments and the delegate pack).

For those companies that would like to be associated with this conference but do not wish to hire exhibition space, we are also providing the opportunity for sponsors to provide promotional material for inclusion within the Delegate pack and /or display during the Conference. For this option the price is £25.00 for up to 3 items (A4 size). Please note that the Conference Secretary must receive promotional material by 20th September 2017. Sufficient copies of promotional material for use in the packs must be supplied as we are unable to undertake copying of material for delegate packs. Also, please note that we cannot return any unused display materials.
