

Early Career Hydrogeologists' Conference 2019

25th October

School of Earth and Environment, University of Leeds

Career pathways and practical skills within the hydrogeology industry

Hydrogeology is a profession and the Hydrogeological Group, International Association of Hydrogeologists and ECHN supports sharing knowledge between professionals. Please register and put the dates in your diaries to attend the conference, engage with interesting speakers and to share your knowledge with other Early Career Hydrogeologists.

Programme:

10:30-11:00: Registration and coffee
