5 PROCEDURE

5.1 Procedural Matters

i. Council shall establish and maintain a Standing List. At least two thirds of the List shall be Chartered Fellows. Fellows may resign from the List at any time, and Council may appoint replacements at any time. The list of names on the List shall not be available to Fellows, but shall be available to the Executive Secretary and Officers of the Society. Members of Council may be on the list, but may not act while on Council.

ii. An allegation that a Fellow has behaved in an improper manner and breached the Codes of Conduct shall be submitted in writing to the Executive Secretary of the Society.

iii. The allegation shall explicitly state the grounds for the allegation by reference to relevant clauses in the Codes of Conduct and shall be supported by appropriate information. The allegation shall not be sent or copied to any other person and the Complainant(s) shall, at all times, keep the fact that an allegation has been made and the substance of that allegation confidential. The Complainant shall not contact the Respondent directly whilst the investigation and disciplinary procedures in this Regulation are in progress.

iv. If the Executive Secretary is satisfied that the allegation is complete and within the scope of this Regulation, he/she shall convene an Investigation Panel to decide whether or not there are grounds for a detailed examination of a specific allegation made by the Complainant against a Respondent.

v. The Executive Secretary shall inform the Complainant if an Investigation Panel has been convened and of the timetable to which that Investigation Panel will be working.

vi. The Investigation Panel may decide that there is no case to answer and advise the Executive Secretary accordingly. He/she will then inform the Complainant and Respondent. The decision of the Investigation Panel shall be final.

vii. If the Investigation Panel decides that there are grounds for detailed examination of the allegations made, the Respondent shall be informed confidentially and in writing that an allegation has been made. The Respondent shall be sent a full copy of the allegations and any supporting information, including the name of the Complainant.

viii. The Respondent shall be given 28 days to respond in writing to the allegations from the date of notification by the Society of the details of the allegations made by the Complainant.

ix. The Respondent shall keep the fact that an allegation has been made against them, and the substance of that allegation, and the details of his or her response
confidential. The Respondent shall not contact the Complainant in any way while the investigation and disciplinary procedures in this Regulation are in progress.

x. The Investigation Panel shall review all the available and relevant information and notify the Executive Secretary of its decision, which shall be either:
   a. That there is no case to be answered and the allegation should not be considered further by the Society; or
   b. That there is a case to be answered and that this should proceed to a Disciplinary Hearing.

xi. The Executive Secretary shall inform the Parties of the outcome of the Investigation Panel's work.

xii. If the matter is to proceed further, the Executive Secretary shall:
   a. Convene a Disciplinary Panel to examine the allegations made by the Complainant against the Respondent. No member of a Disciplinary Panel shall have been a member of the Investigation Panel related to the allegation.
   b. Provide the Complainant with a copy of the Respondent’s response to the allegations (including any additional information provided at the request of the Investigation Panel),

xiii. The Disciplinary Panel shall determine the process to be followed in the presentation and consideration of the documentation and the Chair of the Disciplinary Panel shall notify the Parties as to this process. The decision of the Disciplinary Panel shall be final in determining the conduct of the process and the hearing (if any) which shall be in accord with natural justice.

xiv. This process may include a hearing where all Parties are invited to present their arguments in person before the Disciplinary Panel; a hearing shall be held if requested by the Panel or by at least one of the Parties. If a hearing is held, the Panel shall hear from and ask questions of the Parties separately, and not in an open session. The Parties shall not have the opportunity to question each other nor to be present when the other is before the Panel.

xv. The Disciplinary Panel may take evidence from one or more members of the Investigation Panel, but this shall not be disclosed to the Parties.

xvi. The Society shall give 28 days' notice of a Disciplinary Hearing. The notice shall be issued in writing to the Parties.

xvii. The Parties may choose to be accompanied by an adviser at the Disciplinary Hearing. The Parties shall inform the Society not less than one week before the date of the Disciplinary Hearing whether they intend to bring an adviser to the Disciplinary Hearing, and if so the name and contact details of the adviser. The adviser shall not normally have the right to address the Disciplinary Hearing, except under exceptional circumstances and with the agreement of the Disciplinary Panel.

xviii. The Parties may submit supplementary written information to the Disciplinary Hearing. Supplementary information must be received by the Disciplinary Panel not less than one week before the date set for the Disciplinary Hearing. Copies of any supplementary information shall be issued by the Executive Secretary to the Parties respectively in advance of the Disciplinary Hearing.

xix. The recommendation of the Disciplinary Panel in accordance with the following clause shall be passed to Council for their decision.

xx. The possible recommendations that can be made to Council by the Disciplinary Panel are:
a. The allegations are not upheld;

or

b. the allegations are upheld and that the breach of the Code(s) of Conduct is such that the appropriate sanction would be for Council to vote on a motion to:
   i. remove the Respondent from the Society; or
   ii. remove (permanently or temporarily) the validation of the Respondent as a Chartered Geologist or Chartered Scientist, but allow the Respondent to remain as a Fellow and to define the conditions that would have to be met for the Respondent to be reinstated as a Chartered Geologist or Chartered Scientist; or
   iii. issue a reprimand to the Respondent and/or require a programme of appropriate training or CPD be undertaken. Such a reprimand shall be issued by the Executive Secretary.

xxi. In addition, whether the allegations are upheld or not, the Disciplinary Panel may recommend that the Parties are encouraged to resolve their differences with the assistance of a mediator or other neutral third party.

xxii. Council, when deciding on matters under this Disciplinary Procedure, shall require those present who have had direct previous involvement with the appeal to declare an interest and to withdraw from the meeting while the matters are decided.

xxiii. The decisions reached by Council are final.

xxiv. The proceedings of the Investigation Panel and Disciplinary Panel shall remain confidential to Council, the Executive Secretary, and members of the panels and shall not be disclosed by any Fellow to third parties, other than to the Respondent and Complainant, their representatives and the representatives of the Society.

xxv. The procedure described in this Regulation shall be terminated at any stage prior to the meeting of Council at which a vote would be taken in the case of:
   a. the Complainant(s) withdrawing the allegation; or
   b. the Respondent(s) resigning as a Fellow(s) of the Society.
